From The Crown

Unto the populous of these Outlands, Their Royal Majesties, Hrothgar and Madigan, King and Queen of the Outlands, send greetings, and hope that this missive reaches all in health and good cheer, enjoying the warm breezes of summer in Our great Kingdom.

Good People,

The month of July brings much happiness to Our hearts, as for the first time in Our fair Kingdom's history, the heirs to Our throne will be chosen mid-summer. We invite one and all to attend this most glorious event to be held July 8-9, in the mountains of al-Barran. The list of Entrants to twentieth Crown Tournament of the Outlands is published within.

In the past month Our travels have taken Us far. We had a wonderful time at Stag's Bloodbath II and thank those who attended for making the event most enjoyable. Our travels also took us over great distances to the foreign lands of Our cousins in Calontir for their War of the Lilies, where once again good times were shared by the peoples of all Kingdoms that attended. We would especially like to extend our gratitude to all those gentles from the Outlands who journeyed abroad and brought glory to Our Kingdom by attending. We wish to give our thanks to all of the good people of the Shire of Loch Thioram for their hospitality, the wilderness is indeed a beautiful place to frolic in the midst of such a beautiful summer.

Finally, We would like to remind all Peers of the realm that Our Kingdom is fortunate in that we are rich in novices and students in all disciplines. It is your right, privilege, and duty to aid these individuals in their pursuit of excellence and the dream. They can be found in all reaches of Our land and they need your help and encouragement in their endeavors to truly experience the delight that added knowledge, experience, and a pat on the back can give. We encourage all Peers to participate in this effort, which will not only teach those who would learn, but may rekindle a fresh excitement about the SCA that might have been lost after years of expertise.

We remain, in service to the Outlands,

Hrothgar — Hrothgar

Madigan — Madigan

Changes Proposed to SCA Governing Documents

The Board of Directors of the SCA, Inc. would like to solicit comment from the populace on the following proposed changes to Corpora and the Society By-laws, and a proposed new Governing and Policy Decision. Basically the changes mean that the Executive Director/Executive Assistant cannot over rule the Society Seneschal as was the case under the Executive Director model in place from July 1993 until October 1994. The SCA has been effectively using the proposed model since the October 1994 meeting. As before, the Board of Directors remains the ultimate arbiter and authority over the affairs of the SCA,Inc. and the Society and corporate officers. Complete copies of the SCA's Organizational Handbook are once again available from the SCA Marketplace for $6.00 (same address as below).

If you have questions or comments about the language of the proposals please direct them to the Board of Directors, Society for Creative Anachronism, Inc., Member Services Office, PO Box 360789, Milpitas, CA 95036-0789, no later than September 30, 1995. Thank you.

Corpora, Article IV, item B currently states:

B. SOCIETY SENESCHAL. The Society Seneschal (designated as VicePresident in the By-Laws) is responsible for coordinating the regional administration of the Society's historical re-creation. This involves directing the activities of the Kingdom Seneschals and of Society-level deputies for functions that generally report to the Seneschallate. Where questions arise concerning the intent of the governing documents, the Board specifically authorizes the Society Seneschal to make interpretations andclarifications, with the proviso that such rulings must be discussed with the Executive Director at the earliest opportunity, and reported to the Board at the following meeting. The Society Seneschal's rulings will stand until and unless overruled by the Executive Director or the Board.

Proposed Change:

B. SOCIETY SENESCHAL. The Society Seneschal (designated as ExecutiveVice President in the By-Laws) is responsible for coordinating the regional administration of the Society's historical re-creations. This involves directing the activities of the Kingdom Seneschals and of Society-level deputies for functions that generally report to the Seneschallate. Where questions arise concerning the intent of the governing documents or Board policies, the Board specifically authorizes the Society Seneschal to makeinterpretations and clarifications and report same to the Board at the following meeting. The Society Seneschal's ruling will stand until and unless overruled by the Board of Directors.

By-Laws - Article VI., item B currently states:

B. NUMBER OF DIRECTORS: The authorized number of Directors of the Society shall not be less than five (5) or more than seven (7) until changed by amendment of this Article of the By-Laws. The Executive Director described in Article VII.A.2 of these By-Laws shall participate as a non-voting member of the Board, but shall not be considered a "Director" for the purposes of Article VI.

Proposed change omits the underlined portion.

By-Laws, Article VII, item A uses the title of Vice President.

Proposed change is to Executive Vice President.

By-Laws, Article VII, item A, sub-items 2 and 3 currently state:

2. Executive Director. The Executive Director is the principal executive officer of the Society and shall supervise and control all of the business and administrative affairs of the corporation and oversee its internal and external public relations.

The Executive Director shall be responsible to and governed by the Board, shall report to and advise the Board on all significant matters of the Society's business, and shall see that all orders and resolutions of the Board are carried into effect. The Executive Director may sign and authorize such instruments as he or she deems appropriate to the conduct of the Society's proper business, and may delegate similar responsibilities. (SeeAlso Governing & Policy Decision 7).

In the event of absence or incapacity of the Executive Director, the duties shall be apportioned at the discretion of the Board. Such "inability to act" shall be determined at a regular meeting of the Board, or at a special meeting called as provided by Section VI.I.

3. Vice President: The Vice-President shall manage the administration of the Society's historical re-creations under the overall supervision of the Executive Director, through a network of Regional Vice Presidents. With the consent of the President and Executive Director, the Vice President may sign and authorize instruments required for the conduct of the Society's historical re-creations, and may delegate similar responsibilities. The duties of this position are further defined in the Corpora, as provided by Article XIII of these By-Laws.

Proposed Changes:

2. Executive Vice-President. The Executive Vice-President shall manage the administration of the Society's historical re-creations through a network of Regional Vice-Presidents and shall supervise the Executive Director. The duties of this position are furtherdefined in Corpora, as provided in Article XIII of these By-Laws.

3. Executive Director. The Executive Director shall supervise and control all of the business and administrative affairs, specifically including all modern regulatory compliance issues, under the supervision of the Executive Vice President. The Executive Director (may/shall) also be given direct tasks and assignments by the Board of Directors and shall be answerable to the Board directly on those assignments. The ExecutiveDirector may sign and authorize such instruments as he or she deems appropriate to conduct the Society's proper business, and may delegate similar responsibilities. (See also Governing & Policy Decision 7).

In the event of absence or incapacity of the Executive Director, the duties shall be apportioned at the discretion of the Board.

DRAFT G&PD 18:

18. Policy on Implementation Notice

The Board of Directors recognizes the irreplaceable role that the Kingdom Officers and the Kingdom newsletters play in implementing any changes in Society policy and procedure, therefore:

The Board of Directors shall give a minimum of sixty (60) calendar days notice to Kingdom Administration (including the Seneschal and Crown) of the effective date of changes made to the governing documents and administrative policies of the Society. This notice shall be in written form and the sixty days shall count from the date of mailing.

In case of an emergency, less notice may be given, such notice to be no less than thirty (30) days before the implementation date for such changes. In all cases where less than sixty days notice was given, the notice shall be accompanied by a letter of explanation of the emergency prompting the change.

Moonlight Tournament

July 14

Come to the Guadalupe Mountains and help our Shire celebrate our Moonlight Tournament. The site, which we have named La Coteau de Vallier will open at 1 pm, on Friday the 14th of July. The winner of the tourney will have his or her choice between two swords.

This is a camping event. In last months issue we spoke of Horses being welcome. It had come to our attention that extra insurance is required if horses are invited. Last year we paid the insurance and had no horses in attendance, hence it has been decided to exclude horses. If you have any questions regarding this decision please contact the Autocrat. Water will be available at the ranger station. No feast is planned for this event but some sort of communal meal may be arranged. Activities include archery (just what is a gunslinger tourney anyway), 2 heavy weapons, at least one light weapons, childrens activities and of course the traditional Saturday afternoon cooling off session in the Sitting Bull Falls, and a rousing game of Byzantine Tag. There will be a Belly Dance class being taught so come prepared, drummers bring your drums, this site is remote. There are no people with residences across the grounds.

Coat for this event is $10.00 for members, children under 12 free, of course the standard nonmember surcharge of $3.00 will be enforced.

From the North: Take US Hwy 285 South to State Hwy 137, turn onto this Hwy and follow it to Queen. Proceed through Queen and continue on about three miles. The site will be on the right side of the road, and signs will be posted.

From the South: Take US Hwy 62-180 East until you reach the Dark Canyon turn-off. Follow Dark Canyon Road to State Hwy 137. Turn left and proceed to Queen, and continue on for about three miles. The site will be on the right side of the road, and signs will be posted.

In these times of peace (and hot afternoons), we invite one and all to join us at our Lonely Mountain Defender, high in the cool of the Jemez mountains As is traditional for us, this event will take place on the last full weekend of July, that being July 28-30. The site will also be traditional, a beautiful meadow site in the Jemez Mountains of New Mexico (see map). Sadly, this unimproved site has absolutely no water available, so all attendees are asked to bring plenty of their own. Fighters should expect to provide extra for the water-bearers who will be watching over them during the tournements.

Our defender this year will be chosed through a series of events. The defender must participate in either a heavy or light weapons tournament; either archery or ax throw; either hunker hauser or games; and in a FIGHTERS' BARDIC. (Little Bunnie Foo Foo is not acceptable.) A Lonely Mountain companion will be chosen from among non-fighters who participate in either archery or ax throw; either hunker hauser or games; and in a non-fighters' bardic.

Windkeep Defender

August 5

Unto the populace of the Outlands, greetings from the Shire of Windkeep. The awesome responsibility of defending the shire from any and all that threaten our harmony has exhausted our current defender. It is time that another be chosen. The festivities will take place on Saturday, August 5 , in the shire of Windkeep. We will gather at the Gazebo in Lyons Park, in the city known as Cheyenne for the days activities.

The Defender Tournament will be the highlight of the day, but many other activities will be held. A fencing tournament that will take place should there be enough interest, as well as snowball tournament. Of course for the faint of heart, Lord Coengar will hold his annual Pro-Am Mini Golf Tournament. There will also be a number of silly games for those not wishing to combat in the days tourney's. Should Royalty attend and so wish it, court will be held.

The Defender tournament will be run as a single fight, triple elimination tournament. There will be prizes for the most flamboyant fighter, best death, most chivalry on and off the field of battle, and also a prize for the winner. To the highest ranked Windkeep fighter will go both the title and duties of the Defender of the Shire of Windkeep. The fencing tourney will be run in the same fashion, save the title, and the same prizes will be awarded. The Snowball tournament is an added specialty. The tourney size and length depends on the number of entrants. A grand dividable prize will go to the overall winners. Last but not least, the Mini Golf Pro-am tournament. Put on your best garb or for the fighters, best armor and join in the silliness. A small charge is required at the golfing establishment, but again, it is small. A prize will be given to the best team, and best overall player.

After the days fun and games, Windkeep will hold a picnic style potluck barbecue in which the Shire will provide the main course (hamburgers and hot dogs). The feast fee for those attending is a dish to compliment the main course. The site fee for the event is $2.00, with children free. Please make checks payable to SCA-Windkeep. Reservations are not necessary.

Directions: Take the Central Avenue exit from I-25 and travel East approximately one quarter mile. Turn right on Kennedy Rd and then left on Carey. The Gazebo will be one quarter mile further down on the left.

Mountain Enduro V

Questing in the Inferno

August 25-27

The Citadel of the Southern Pass and House Gilbert invite one and all to attend the fifth annual Mountain Enduro Quest. This promises to be no trip through Paradise (sorry), but it should be fun.

This year's Enduro is based on the *Inferno* (pick your favorite). Just as before, the more you know about the Inferno, whether it be Dante's or someone else, the further into the depths you will be able to navigate and the easier it will be (one can hope anyway).

The site is the Wehinapay Boy Scout Camp outside of Cloudcroft, New Mexico. The days are often warm, the nights are chilly and it almost always rains (ok, ok, it always rains). With these thoughts in mind come up to one of the oddest events in the Outlands. You will need to bring clothing to meet almost any condition and your sturdiest footgear to embark upon your journey through the Inferno.

This is a dry site! Absolutely no alcohol in any form is allowed! No pets are to be brough onto the site. If you break these rules you will be sent away to a place far worse than the Inferno.

The Enduro Quest will be run on Saturday starting around noon. It will be run rain or shine. This year we will run teams of seven questors consisting of two heavy weapons fighters, two light weapons fighters, one or two Sherpa and one or two noncombatants.

Saturday evening we will be having the traditional feast of beef stew in the Dining Hall. The Dining Hall will also be the site for the Bardic Competition on Saturday night. Sunday is Tourney day. There will be at least two heavy lists, two light lists, and one boffer list (speaking of children, they once again will have a special role in the Enduro Quest, but more of that later). These tourneys are being sponsored by various groups and households.

The site opens at noon on Friday, August 25th. The site fee is $10 for camping and $15 for cabins (reservations are being accepted for the cabins). Nonmembers must now be charged $3 in addition to the site fee. Children under age 13 are half price. There are **showers** with plenty of hot water and bathroom facilities in the area of the cabins.

For more information feel free to call the autocrat before 10 pm.

Autocrat: Sir Berold (Barry Boetto), 6013 Alcalde St, El Paso TX, 79912, (915) 585-3155

Head Cook: Vsc. Eirianedd (Becky Boetto), same as above.

From the Seneschal

Baron Lambert de Sur

Good Lords and Ladies of the Outlands,

Summer has arrived and camping season is in full swing. Please take the extra time and effort to be safe, both at events and while travelling. The heavy spring rains have promoted the growth of underbrush increasing the summer fire danger. Please be careful with campfires. Clear the immediate area of brush and grass, and have buckets of water and extinguishers nearby. Autocrats at fire prone sites should have additional equipment (shovels, extinghishers, etc) available in a pickup for rapid deployment. Protect the Outlands' forests and grasslands!

The Outlands - Artemisia Friendship Event will be held near Dael Beorht (Montrose, CO) at the end of July. This promises to be an excellent event and will provide an opportunity to meet old friends and make new ones in this Principality that was once part of the Outlands. I am being forced to return an increasing number of event forms for missing information. Please use a current form from a recent OH and carefully complete each entry. The most common problems are incomplete information on the medical facility and the lack of a second signature. I need the name, address, and distance to the nearest medical facility. This should ensure that the autocrat knows where it is and how to get there. All events forms require two signatures: 1) that of the group's seneschal and 2) that of the Baron or Baroness for a Barony or a second officer for a shire, canton, or college. When filling in the event form, please type or print carefully. All too many times I have to guess at the proper spelling of names. I no longer mail a completed copy back to the autocrat. If you want confirmation that the form was received, please include a stamped, addressed post card. The best policy is to submit the event form in sufficient time, three or more months early, so that you can verify that your event is on the Kingdom Calendar and that the information is correct. Local seneschals should carefully review the event forms and the event announcements to make sure the information is accurate and complete.

From the Chronicler

Lord Alwyn of Kittisford

Tourney season is beginning to wind down, but there are still plenty of events coming up that require reservations or other advance planning. Be sure to read the event articles carefully, and pay close attention to the deadlines for reservations.

There has been some confusion lately about how the Kingdom Calendar is maintained. Events are put on to the Kingdom Planning Calendar only after they have been approved by the Kingdom Seneschal, Master Lambert. Although I should receive a copy of the event form for double-checking the information in the article, the final say as to which events are "official" and can go on the planning calendar belongs to the Seneschal. If you have sent in an event form before the 1st of any given month, and your event does not appear in the next month's issue of *The Outlandish Herald*, there is likely some problems with the event form. So, if for example you sent in an event form before June 1st, it should appear on the calendar on page 3 of this issue. If your event is not there, contact Master Lambert to get it fixed. Sending me event articles does no good if your event hasn't been approved yet.

Most importantly, if you think there is a problem with your event article, don't wait around to see if it will magically fix itself. I make plenty of mistakes, and the only way they will be corrected is if you tell me. You don't have to call - just drop me a note via email or surface mail. I'll do my best to make it right.

I remain,

Alwyn

From the Equestrian Guild

Lady Kassandra of the Wolves

Greetings! We had a wonderful time at Grand Outlandish with our great steeds of the Outlands. The gaming, organized by Lady Thorhalla, was great fun. The event went almost trouble free. There were a few escapes, but the horses were quickly returned to their pens. I would like to communicate how important it is that you test your pen before letting your horse loose in it, and NEVER leave the pen unattended. Children, dogs and curious passers-by can cause disaster. At Grand Outlandish we had an incident where a dog entered a pen resulting in an injured dog and a loose horse.

At the event, we authorized several horses and riders, and issued the first of our Equestrian Authorization cards. Please contact the Equestrian Marshals in your area for authorization. We also held a meeting to discuss the new Rules of the List and By-Laws. Revisions are underway.

Also discussed at the meeting was myself officially taking a Deputy who will soon take over as Guild Head. Lady Thorhalla has agreed to be my Deputy.

Lady Damiana and Lady Rosslyn Von Hohenzollern of Unser Hafen will be assisting in developing a new Equestrian Marshal testing form. Your thoughts and ideas are welcome.

Finally, we have a new Society level Equestrian Marshal who will be making sure that all laws regarding equestrian events and procedures be strickly enforced. I am expecting a packet in the mail from the new Society Equestrian Marshal and Master Bjorn (Society Marshal) containing new laws and procedures. These will be combined with existing Guild Laws. Revisions will be mailed to all EM's. As Master Bjorn has communicated to all Kingdoms, equestrian activites must fall under the Mashallat. Sir Jalut (our Kingdom Earl Marshal) and Master Bjorn appointed me as Sir Jalut's Deputy to accomodate this law.

In Service,

Karranora

Pennsic Heraldry Info

Unto the populace of the Knowne Worlde does Susan MacGregor, Troubadour Herald of the East, send greetings!

I am organizing the Tournament Heraldry for Pennsic. Though the format of the War Points will be different this year, there will still be a number of tourneys held by the different kingdoms which will need to be heralded. (The major battles, like the Field or Bridge battle traditionally do not need official heralding.)

There will also be a Grande Pas d'Armes being held again this year. These are tournaments done in the grand style, with full heraldic displays on armour, shields, tabards, etc. Done properly, each fighter should have his own herald, who bears the fighter's arms and announces him/her into the list. This is a very herald-intensive tourney, and fighters who are planning on participating are encouraged to line up their heralds beforehand. Heralds, if you wish to represent a particular fighter, talk to him/her now! (For further

details on this tourney, please call Count Rhys of Harlech (Hugh Knight) at 610-559-8085).

If you would like to help herald some or all of the tourneys, please sign up at Herald's Point as soon as you get to Pennsic. There will be a list and description there of each tourney, along with the time and place it is to be held. If you have never heralded a tourney before, but would like to learn, I would be delighted to teach you. Sign up!

If you would like to participate, but don't necessarily wish to be a herald, we need list-runners, as well. List runners are the communication between the herald and the List Table, where the order of the fights is determined and the winners and losers tabulated. List-runners are VITAL to the smooth running of a tourney, and no experience is necessary. Please sign up at Herald's Point as soon as you arrive at Pennsic.
